Letter from the President

On Sunday, May 7th, we celebrated our annual Dinner and with all the calls, emails, texts, and in-person accolades I believe it was a huge success!

To have a successful event takes many people who give their time and energy, and we certainly had many. Unfortunately, two people who were unable to attend the event, Toby and Harold Kohn, worked for weeks attending to so many aspects and details of the affair. I want to sincerely thank them for their untiring work to make our evening so special.

Aside from the festivities of the dinner we also made a sizable profit! So many people were generously supportive in sponsorship and in purchasing raffle tickets. Thank you to everyone who helped in so many ways to make this a memorable event for Dora Polachek and guests!

Our monthly calendar which is beautifully designed and very informative is forwarded to us from Rabbi David Serkin. Thank you, David, for providing us with this important information every month and for your beautiful flyers that we receive on holidays and for shul occasions.

Every Thursday we receive an email from Rabbi Silber designed to help us with Shabbat and holidays. It provides information, schedules, and candle lighting times, besides community and Shul events. Thank you, Rabbi Silber, for providing us with this important information every week!

Our synagogue security is an ongoing process, and we are waiting for two companies to give us estimates. I will certainly give the congregation an update when we know more.
Wishing you all a very happy Shavuot!
